

Vanilla Ice Cream

Ingredients:

- 1 C. Heavy Whipping Cream
- 2. C. Whole Milk
- 2 ts Pure Vanilla Extract
- 2 ts Stevia Powder

Servings: 4

Directions:

1. Pour all ingredients into electric ice cream maker
2. Close the lid
3. Insert Ice and Rock Salt into outer chamber
4. Turn on
5. Wait 45 minutes
6. Top with $\frac{1}{4}$ cup of your favorite berries (blueberries, strawberries, etc)
NOTE: If topping with peaches, use Almond Extract instead of Vanilla.
